TAKTON

THE STANDARD

Timeless classic

With these modern and simple design shades, the flat and delicate wall and ceiling light is even more attractive and is now even better suited to areas where the eye also wants to enjoy attractive aesthetics. The luminaires with designer shades are ideal wherever a combination of functionality and design is needed.

TAKTON

Simple installation

The base plate is screwed to the ceiling or suspended in accordance with the installation instructions. The design shade is placed over the diffuser. It rests loosely on the edge of the diffuser and is then screwed into the base plate using the bayonet fitting.
